

## Prof. Roseanne Diab

Roseanne Diab is currently Director of the global initiative, GenderInSITE, which is based in Trieste, Italy. She has served as Co-chair of the Gender Advisory Panel of The World Academy of Sciences (TWAS) and represents GenderInSITE on the panel. She is the former Executive Officer of the Academy of Science of South Africa (ASSAf) and Emeritus Professor in the School of Environmental Sciences, University of KwaZulu-Natal. She is a Member of ASSAf and is recognised for her research contributions in the field of atmospheric sciences, particularly air quality, climate change and tropospheric ozone variability.

Prof. Diab is a Fellow of the University of KwaZulu-Natal, the South African Geographical Society, The World Academy of Sciences (TWAS) and the African Academy of Sciences. She has been a Fulbright senior research scholar and has been a member of a number of international bodies such as the International Ozone Commission (IOC). She currently serves on the AU High-Level Panel on Emerging Technologies and is co-chair of an OECD Expert Group on Reducing the Precarity of Young Researchers' Careers.
